# PROSPECTUS

OF THE

# College of the Immaculate Conception,

## NEW ORLEANS.

This literary Institution, incorporated by the State of Louisiana, and empowered to confer degrees, is conducted by the Fathers of the Society of Jesus.

The buildings are well adapted for the purpose. A court-yard, entirely cut off from the street, is reserved for recreation; so that, from the arrival of the pupils, at 7:30 A. M., till their departure at 4 P. M., they are constantly secluded and superintended.

The course of instruction embraces Greek, Latin, English, French, Poetry, Rhetoric, History, Geography, Mathematics, Astronomy, Natural and Mental Philosophy, with the addition of Book-keeping and the usual Commercial Branches.

Students are not admitted unless they know how to read and write.

The moral and religious training of the students is the leading object of the instructors.

Every month a report is sent to parents, stating conduct, progress, rank in class and attendance.

The Academical year begins on the first Monday of October, and ends about the 15th of August. It is divided into three quarters, of three months and a-half each.

## TERMS:

Collegiate Course, per quarter, payable in advance, and in gold or its equivalent..... $25

# REGULATIONS OF THE COLLEGE.

## ORDER OF THE DAY.

7:30, A. M.—Students are admitted into the court-yard.

8:30, A. M.—They repair to the church for divine service. All should be present.

9, A. M.—Classes begin.

10:30, A. M.—Recess.

10:45, A. M.—Classes resumed.

12, M.—Recess until 1:30 P. M. During this recess the students are at liberty to go home to lunch. It may, however, be brought in the morning and taken at the College, in case of inconvenience arising from distance, &c.

1, P. M.—Students return.

1:30, P. M.—Classes resumed. All should be present.

4, P. M.—Students are dismissed.

On Thursday, students are dismissed at 10, A. M.

On Sunday, at 8:30, A. M., there is mass and sermon, at which all should be present.

Regular attendance is required, as being indispensable to the progress of the students, who otherwise would miss lessons and explanations which cannot be replaced by their private study. Hence non-attendance subjects them to punishment, unless accounted for by a note from home. It is hoped that parents will be very particular in this respect, and also in regard to the performance of the task assigned for each day, out of the College hours.

A. JOURDAN, S. J., President.
